

Classification: Criminalist II - Firearm/Toolmark

Title Code: V00516

Pay Range: 24

POSITION SUMMARY:

This is a responsible professional and technical position. Work includes performing complex and technical work in the scientific analysis of physical evidence. The employee may assist in the training of other criminalists and laboratory technicians. Work is performed under general supervision of a superior who makes assignments and provides advice and assistance in complex work methods; however, the employee is expected to work with considerable independence within the framework of established procedures and policies.

DESCRIPTION OF DUTIES PERFORMED:

(Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Regularly processes, compares, and examines physical evidence (e.g., firearm, toolmarks, footwear and tire tread identification, serial number restoration, and evidence photography) from crime scenes.

Prepares and examines casework which requires a more advanced level of experience; assists senior examiners in advanced level casework.

Participates in crime scene investigations as needed (e.g., lifts, preserves, and examines evidence).

Prepares evidence and exhibits; appears in court as an expert witness; maintains report files; issues periodic and special reports as assigned.

Assists instructors conducting training of law enforcement personnel about collection and analysis of physical evidence.

Generates and receives requests to and from other law enforcement agencies, prosecutors, attorneys, etc., reference criminal evidence and crime laboratory procedures.

Performs photography as required.

Performs job related travel.

Assists other criminalists and laboratory technicians in processing physical evidence.

Participates in the proficiency testing program for the section.

Reviews procedural manuals, publications, etc., within the chosen/related discipline.

Performs other related duties as assigned.

Classification: Criminalist II - Firearm/Toolmark

Title Code: V00516

Pay Range: 24

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:

Knowledge of the practices, procedures and methods used in processing physical evidence.

Knowledge of the preparation of evidence for presentation in court.

Knowledge and practice of safety rules and procedures in regard to laboratory equipment and chemicals.

Ability to learn and use a personal computer and a variety of laboratory and firearm related programs.

Ability to read and write, and speak proper English.

Ability to perform work in accordance with prescribed procedures, make accurate observations of test results, and prepare accurate records and reports.

Ability to gather, assemble, correlate, and analyze facts to be incorporated into a report of laboratory work and tests.

Ability to perform microscopic work for extended periods.

Ability to maintain composure while under cross-examination in regard to personal and scientific qualifications and defend findings of fact in court.

Ability to work with highly sensitive information in a confidential and professional manner.

Ability to compile and prepare information for presentation (e.g., mock trials held in the laboratory, depositions and actual court expert testimony).

Ability to recognize and identify minute details.

Ability to assist other criminalists and laboratory technicians in processing physical evidence.

Ability to establish and maintain effective working relations with others.

Ability to properly use laboratory equipment, photography equipment, and chemicals.

Ability to work with evidence that may be soiled, decomposed, or contaminated with body fluids and tissues.

Willingness to attend autopsies and collect and package evidence from autopsies.

Ability to transport tools and equipment necessary to conduct crime scene investigations.

Ability to perform job-related travel (e.g., appearing in court, conducting crime scene investigations and attending training meetings, seminars, etc.).

Ability to work with material that may be of a sexual nature relating to criminal activity (e.g., written material, photographs, and/or verbal language, etc.).

Ability to work hours as assigned.

Classification: Criminalist II - Firearm/Toolmark

Title Code: V00516

Pay Range: 24

MINIMUM EXPERIENCE AND EDUCATION REQUIRED:

(The following represents the minimum qualifications used to accept applicants, provided that equivalent substitution may be permitted in case of deficiencies in either experience or education.)

Possess a baccalaureate degree in one of the natural sciences or a closely related field. **Core** coursework must include both Algebra and Trigonometry (coursework in Calculus can be substituted for the Algebra and Trigonometry) and at least one semester of general chemistry with lecture and laboratory components. A minimum acceptable grade of C or equivalent in these mathematics classes, chemistry classes, and the core baccalaureate major courses are required. Core courses with grades less than C must be resolved by retaking the course and achieving a grade of C or equivalent. Prior job experience will not replace these minimum academic requirements.

AND

Possess at least two years experience as a Criminalist I - Firearm/Toolmark or comparable experience.

NECESSARY SPECIAL REQUIREMENTS:

Must provide a DNA sample to be used only for forensic identification as required at the time of appointment.

Must be able to pass a polygraph examination after conditional offer of employment.

If applicable to the assigned forensic discipline, possess or obtain a Missouri Department of Health Type 1 Permit (Alcohol and Drug Testing).

If applicable, possess or obtain and maintain a Certified Instructors Certificate (Specialist) from the Missouri Department of Public Safety.

FLSA STATUS: Non-Exempt

WORK SCHEDULE: An employee in this position works an eight-hour shift as directed; however, working hours are subject to change at the discretion of the commanding authority.
