

Classification: PRD Program Supervisor (Arrest Records)

Title Code: V00680

Pay Range: 26

POSITION SUMMARY: This is a highly responsible supervisory, technical and quality control position in the Arrest Records Section of the Patrol Records Division. The employee in this position assists with the management of the Traffic Arrest System/DWI Tracking System (TAS/DWITS), assures the accuracy and completeness of data into the system and serves as liaison to users of the TAS/DWITS. The employee oversees and performs processing of court disposition records, both electronic and written; data quality control measures; processing of court orders to modify or expunge TAS/DWITS records; and dissemination of TAS/DWITS data/records as prescribed by state and federal law and Patrol policies and procedures. Work is subject to general review and supervision by the assistant director and/or division director for conformance with policies and procedures.

DESCRIPTION OF DUTIES PERFORMED: (Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Assists management with the development and implementation of effective work plans for the Arrest Records Section and management of the TAS/DWITS system; updates work flow procedures as needed.

Oversees the scanning and indexing of various TAS/DWITS source documents.

Processes court petitions and orders to expunge records from or modify records in TAS/DWITS; ensures court order is in compliance with State law; retrieves applicable record from database, obtains record and other related information from the Criminal History System and Department of Revenue Driver License System; forwards court order and source documents to the assistant division director for review/approval; expunges or changes TAS/DWITS records.

Performs quality control regarding the timeliness and accuracy of TAS/DWITS data received and entered into databases.

Submits summary review report to the Superintendent on findings and recommendations.

Processes requests for data, statistics, and/or records maintained in TAS/DWITS; ensures dissemination of requested data/records is in compliance with State and Federal law and Patrol policies and procedures; makes certain payment for requested data statistics and/or records is processed for deposit.

Processes requests from various law enforcement agencies regarding the assignment of unique and sequential UC numbers from the UC Audit System; prepares and disseminates correspondence to respective agency confirming assigned UC numbers; monitors the supply of UC's at the Patrol's Supply Warehouse; coordinates procurement of UC's with the Patrol's Budget and Procurement Division.

Assist Patrol Records Division management with development of a training lesson plan and presentation on TAS/DWITS to users. Assists with presenting the information at TAS/DWITS training sessions.

Oversees the access integrity of the TAS/DWITS by mailing quarterly correspondence and a listing of TAS/DWITS users to each agency/Patrol component Terminal Agency Coordinator (TAC) to make certain personnel remain as authorized users. Follows-up with Patrol's Criminal Justice Information Services Division to update users TAS/DWITS access based on response from the TAC.

Tests changes and enhancements to TAS/DWITS before being placed into production. Works closely with the Patrol's Criminal Justice Information Services Division to correct any problem issues or malfunctions with TAS/DWITS and makes certain the Patrol's Automated Field Reporting System and TAS/DWITS are in sync.

Reports and troubleshoots problems with the Patrol Records Division's document imaging scanners.

Opens and processes mail addressed to the Arrest Records Section; sorts, records and disseminates to section or division personnel, other Patrol components, and/or government entities.

Assists Patrol personnel and statewide criminal justice agencies with questions, problems, and issues concerning TAS/DWITS and serves as a Patrol liaison to criminal justice and state agencies submitting data to TAS/DWITS.

Serves as an assistant Custodian of Records in absence of the director and assistant director by appearing in court when subpoenaed, processing requests for records, certifying traffic records as official copies of records kept as part of normal MSHP business, and controlling access to closed records.

Prepares written reports and maintains records of personnel and activities in the Arrest Records Section.

Attends internal and external meetings regarding TAS/DWITS as assigned.

Performs other related work as assigned.

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES: Thorough knowledge of the State of Missouri Sunshine Law, Federal Laws, and Patrol policies and procedures relating to the reporting and dissemination of arrest records.

Thorough knowledge of TAS/DWITS-related codes, flow of reports/data to the TAS/DWITS, TAS/DWITS encoding requirements and quality control measures, scanning and indexing source documents into the Content Manager System, and TAS/DWITS validation rules.

Thorough knowledge of the Patrol reporting requirements of the Uniform Citation and Office of State Courts Administrator reporting requirements of the Record of Conviction form.
